

Newsletter

Issue 19 Spring/Summer 2017

Welcome to the next edition of our practice newsletter. As well as keeping you informed of any changes happening at the practice, there is also some helpful information on some of the services we offer.

Meet the Team

Megan Roy

We have recently welcomed new trainee dental nurse Megan to the team.

New team member Megan

Megan has settled into the practice extremely well, and is a great asset to the team. She will begin her NVQ Level 3 in Dental Nursing in September 2017.

Wendy Hester RDH/RDT

We will be welcoming Dental Hygienist/Dental Therapist Wendy Hester to the team in May 2017.

She has over 25 years of experience as a Dental Hygienist, and also more recently as a Dental Therapist working within the community.

Wendy is also actively involved with the charities DentaId and Mercy Ships and has helped to deliver essential dental care in deprived countries such as Benin and Morocco where access to dental services is extremely limited.

She will join existing Hygienist Helen to further enhance the availability of our Hygienist services. We are now able to offer the services of our Hygienists every day, including Monday evenings and Saturday mornings.

New Hygienist Wendy Hester RDH/RDT

Other news from the Hygiene department is that after 19 years of working on Monday evening, Helen has decided she would like to increase her hours during the working week and give up the evening shift (and who can blame her!)

Wendy will take over the Monday evening shift as well as working alongside Helen for two days during the week.

More Team News

Lauren has recently returned to work after her maternity leave, and is now a busy working mum of two lovely little girls! It's great to have Lauren back after her 10 months sabbatical!

Congratulations to our Dentist Jessica on her recent graduation for successfully completing her post-graduate qualification from the Royal College of Surgeons of Edinburgh. She now has Membership of the Faculty of Dental Surgery and has even more

letters after her name! And if that wasn't enough – she has started another post-graduate qualification in restorative dentistry.

Jessica's recent graduation from the Royal College of Surgeons

Our congratulations also go to Charlotte who has recently passed her dental nursing examinations and is now a fully qualified dental nurse.

Francesca and Sarah are also embarking upon post-graduate qualifications; Francesca in Oral Health Education, and Sarah in Dental Radiography.

We wish them every success in their studies!

Invisalign

Do you long for straight teeth, but hate the thought of braces?

Invisalign is the clear alternative to conventional braces. Invisalign's invisible, removable aligners allow you to transform your smile without disrupting your life. Over 3.5 million people worldwide have straightened their teeth with Invisalign. Could you be next?

If you have been considering straightening your teeth, why not book a consultation to see whether Invisalign is the right treatment option for you?

Due to the enormous success of our last Invisalign Open Day we will be holding a similar event on Saturday 13th May 2017, and will be offering the chance to benefit from special offers when you sign up to Invisalign treatment during May 2017.

Invisalign's removable aligners

For the month of May, we are offering a free orthodontic consultation without obligation, for anyone who wants to improve their smile or straighten their teeth, to find out if and how we can potentially change your life with Invisalign's clear, removable aligners.

***Special May offers are:**

Full Invisalign ~~£4,500~~ now £4,000

Invisalign Lite from ~~£2,580~~ now from £2,330

Invisalign i7 from ~~£1,760~~ now from £1,510

Space is limited, so to avoid disappointment, and to book your free consultation, please contact the practice by telephoning 01258 473397 today!
